

Asia Level – International Inter-School English Debate Competition 2021

Asia Level - International Inter-School English Debate

A virtual Asia Level Debate was organized by Alliance University in collaboration with iEducationalize from 19th April to 23rd April.

The preliminary round 1 took place on 20th April, 2021 followed by preliminary round 2 on day 2 and the Grand Finale was held on 23rd April, 2021.

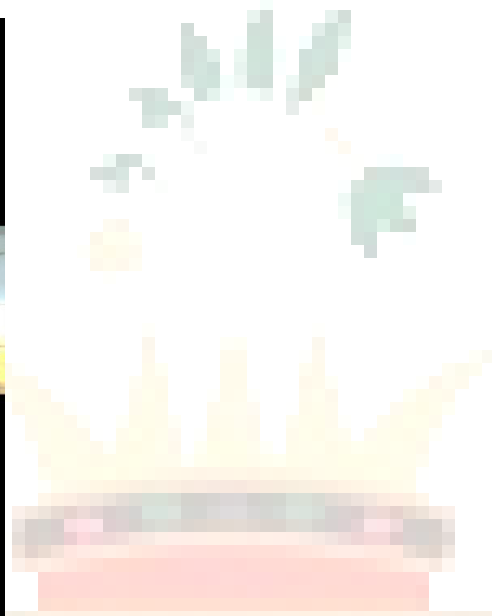

Nearly 300 students from across the globe participated in the event. The Sanawar English Debating Team comprised Abhiraj Bhatia, Harshangad Singh, Mannic Ahluwalia and Simar Singh Gabadia.

All four participants debated in preliminary round 1. The debate format was non-conventional, one speaker for the motion and the other against the motion, where in each speaker first had to make introductory remarks, subsequently exchange views and opinions, finally making the concluding remarks.

Simar Singh Gabadia was adjudged as the Best Speaker of the round 1. It is worth mentioning that he made it to the Grand Finale after having won three rounds of debate in preliminary round 2 and Semi Final Debate in one single day. All four debates were impromptu in nature.

Simar Singh was amongst the top four participants in the entire event to reach that level of Grand Finale and of course, fortunate to have got the chance to showcase his debating skills on an international forum.

This international exposure has undoubtedly provided a strong platform to our young talented students to further develop their analytical and oratory skills. We were informed that Simar was the only Indian student to have made it to the top four of the Grand Finale.
