

## DEBATE WORKSHOP MARCH -2021

With the beginning of the new academic session an online debate workshop was organized for the students of The Lawrence School, Sanawar to hone their debating skills from 1<sup>st</sup> March, 2021 to 5<sup>th</sup> March 2021. Debating skills workshop has always given a good platform to the budding debaters to showcase their talent. Mr. Keshav Gupta, founder of The Dias was the resource person for the debate workshop. 59 students from L IV to U VI classes participated in the workshop. Mr. Keshav provided a deep insight into how to carry out the debating skills through power point presentations. The enthusiasm and vibrancy shown by the students was pleasing indeed.

The nitty-gritties of debating skills were discussed at length. Debate rounds were also conducted and the response of the students was very encouraging. Debates on current topics, discussions and questioning rounds added the spice and flavour to the workshop. Such debating workshops not only help to build the confidence of the students but also enhance their communication skills, research ability and cognitive skills. The last two days witnessed an enthralling round of debating where debaters were at their best to convince the audience with their logics and structured constructive. All in all the debating workshop was a huge success as it gave a superb opportunity to the debaters to improve their debating skills
