The above mentioned students participated in the RS Postcard from Columbia based on the Theme- "Debunking the Myth, Confirming the We".

It was an hour duration event from 7:30 pm to 8:30 pm on the 14th April 2021.

The students got an insight into the myths that people believe in, in different parts of the world.

Our students picked myths from the Indian society and shared it with the other students on the Round Square Platform. They expressed their personal views on them and discussed them with the other students. They were expected to make cut-outs of masquerade masks to match the theme of an unreal depiction that hides the truth.

The students and staff enjoyed this interactive session and look forward to more of such events.
