I further agree that should I default in my payments for any reason, the amounts outstanding against me can be deducted from my pay by the Accounts Department without question.

I also bind myself to submit to the School Rules with regard to leave and final removal.

To be signed by the Parent or Guardian of the child.

NOTES.

1. Preference is given to children of British soldiers serving with the Army in India.
2. Children are accepted for admission on the understanding that they will remain for the whole year, preferably longer, unless leave, transfer or other unforeseen circumstances compel the parents to withdraw the child earlier.
3. Children whose fathers are on the active list of the Regular Army will not be admitted unless the agreement relating to pay is signed.
4. Children whose fees are more than two months in arrears are liable to be returned to their parents at the latter's expense.
5. Parents and guardians wishing to remove a child from the School must give fourteen days' notice of their intention, in writing, to the Principal, accompanied by a remittance of the amount due on account of the child to the date of removal.
6. The orders under which free passages are granted for children and their guardians proceeding to and from Sanawar, are given in A II 114 of 1937.
7. A child is ineligible for admission if it is idiotic or subject to some disease or infirmity which will render education impossible, or very difficult, or which may hereafter hinder candidates from earning their livelihood.
8. Illegitimacy is not necessarily a bar to admission but the Principal expects to be informed of the fact.
9. It is highly desirable that a Birth or Baptismal Certificate should accompany this application if such is available.
10. Additional information is required in the case of orphans; the Principal will supply the necessary details if asked.
11. If a child becomes eligible for a pension after admission to the School, the parent or guardian must report the fact to the Principal immediately the pension is awarded.

Rule 6.—Parents and guardians wishing to remove a child from the School must give fourteen days' notice of their intention, in writing, to the Principal, accompanied by a remittance of the amount due on account of the child to the date of removal.

Agreement

I agree to remit my fees direct to the School regularly in advance at the beginning of each month.

I further agree that should I default in my payments for any reason, the amounts outstanding against me can be deducted from my pay by the Accounts Department without question.

I also bind myself to submit to the School Rules with regard to leave and final removal.

C. F. Comish. S.M. Jarr.

To be signed by the Parent or Guardian of the child.

NOTES.

1. Preference is given to children of British soldiers serving with the Army in India.
2. Children are accepted for admission on the understanding that they will remain for the whole year, preferably longer, unless leave, transfer or other unforeseen circumstances compel the parents to withdraw the child earlier.
3. Children whose fathers are on the active list of the Regular Army will not be admitted unless the agreement relating to pay is signed.
4. Children whose fees are more than two months in arrears are liable to be returned to their parents at the latter's expense.
5. Parents and guardians wishing to remove a child from the School must give fourteen days' notice of their intention, in writing, to the Principal, accompanied by a remittance of the amount due on account of the child to the date of removal.
6. The orders under which free passages are granted for children and their guardians proceeding to and from Sanawar, are given in A II 114 of 1937.
7. A child is ineligible for admission if it is idiotic or subject to some disease or infirmity which will render education impossible, or very difficult, or which may hereafter hinder candidates from earning their livelihood.
Illegitimacy is not necessarily a bar to admission but the Principal expects to be informed of the fact.
8. It is highly desirable that a Birth or Baptismal Certificate should accompany this application if such is available.
9. Additional information is required in the case of orphans; the Principal will supply the necessary details if asked.
10. If a child becomes eligible for a pension after admission to the School, the parent or guardian must report the fact to the Principal immediately the pension is awarded.

NOTES.

1. Preference is given to children of British soldiers serving with the Army in India.
2. Children are accepted for admission on the understanding that they will remain for the whole year, preferably longer, unless leave, transfer or other unforeseen circumstances compel the parents to withdraw the child earlier.
3. Children whose fathers are on the active list of the Regular Army will not be admitted unless the agreement relating to pay is signed.
4. Children whose fees are more than two months in arrears are liable to be returned to their parents at the latter's expense.
5. Parents and guardians wishing to remove a child from the School must give fourteen days' notice of their intention, in writing, to the Principal, accompanied by a remittance of the amount due on account of the child to the date of removal.

Illegitimacy is not necessarily a bar to admission but the Principal expects to be informed of the fact.

9. Additional information is required in the case of orphans; the Principal will supply the necessary details if asked.
