No. 120—

SPECIAL ORDER**MORE OPENINGS FOR SANAWAR BOYS.**

Copy of a letter No. 27/Miscellaneous/4767 (A. G.-8), dated 10th October 1925, from the War Office, London, S. W.-1, to His Excellency the Commander-in-Chief in India, Army Headquarters, India.

With reference to your letter No. 16844-M.T.-2, dated 9th July 1925, on the subject of the enlistment in India of British boys for training as tradesmen, I am commanded by the Army Council to inform you that they have carefully considered the proposals contained in your letter, and have decided that the proviso laid down in paragraph 5 of Army Order 190 of 1923, *viz*: that the boys recommended for nomination must be "resident with their parents" will be waived in the case of boys in the Lawrence Schools, subject to the following conditions:—

- (a) The boys must be of pure European descent.
- (b) They must be the sons of soldiers or ex-soldiers.
- (c) They must be between the age of 14 years and 15 years 4 months on the date of arrival in this country.

The Council will also be pleased to reserve a maximum of *thirty* vacancies per year for boys in the Lawrence Schools, and it is proposed that these boys should be sent to this country, *by public opportunity*, in two batches of fifteen each. The first batch should arrive on or about 1st January each year, and the second batch on or about 1st May—*i. e.*, on or about the dates when the training classes for newly enlisted boys commence.

Applications for nomination should be submitted so as to reach the War Office by 1st October and 1st February for boys due to commence training in this country on 1st January and 1st May respectively.

All boys recommended for nomination must be certified by a military Medical Officer to be physically fit for enlistment, and a certificate must also be furnished that the boys have been educationally tested, and that they have attained the standard of a Second Class Certificate of Education.

Two copies of Army Form B.-59, duly completed in respect of each boy and showing the Corps he wishes to join and the trade he wishes to learn together with the two certificates above mentioned, also certificates as to character and date of birth (see paragraph 91 Regulations for Recruiting, 1922) should accompany the application.

It must be clearly understood however that owing to lack of vacancies it may not always be possible to accept a boy for training in the trade selected by him, and in such a case his enlistment for training in some other trade, in which a vacancy exists, will be sanctioned.

I am to add that no action should be taken to carry out the enlistment of any boy until the necessary War Office authority (Boys Form, 4) has been received, and before proceeding with the enlistment the certificate of parents' or guardian's consent will be obtained (see paragraph 91 (*iv*) Regulations for Recruiting, 1922),

No. 122, MEDICAL—STAFF ORDERS :—

(i) Any members of the Staff reporting sick will do so to the *Medical Officer direct* either personally or in writing. As there is now a Resident Medical Officer in Sanawar, the practice of calling in either the Sub-Assistant Surgeon or Nursing Sister should cease.

(ii) The Medical Officer will see all sick members of the Staff and he alone is authorised to decide whether the patient is to be "put on" the Sick-List and after recovery "taken off" the Sick-List. Both these entries will be published in Orders.

(iii) A patient once put on the Sick-List will on no account leave his or her quarters until his or her name appears in orders as having been taken off the Sick List, except to take convalescent exercise with the M. Os. permission.

(iv) Members of the Staff are reminded that they should report sick at once and not wait, sometimes for several days, until they can no longer carry on their duties, as has sometimes happened in the past. This practice very often results in a patient being absent from duty for several days longer than would have been necessary had the patient reported sick at once.

(v) Those able to attend Hospital should do so at any convenient time between 09-30 and 13-00 hours.

1. Leave for wards to sleep out of Sanawar is only given by the Principal. When leave to sleep out of Sanawar is applied for the usual preliminary slips will be sent to the Head Master, Head Mistress, Nursing Sister or Nurse I/c I. D., for recommendation.

2. Parents who have wards in Sanawar will apply in writing for leave for their children (either for the last Saturday and Sunday of the month or for other periods of holidays throughout the year) direct to the Head Master, Head Mistress, Nursing Sister or Nurse I/c I. D., stating whether beds and bedding are required: also whether it is desired to draw rations. If Rations are required the Heads of Departments mentioned above will inform the Sgt. I/c Rations without delay. At least 2 clear days notice must be given by parents. Rations are not issued for the last Saturday and Sunday.

3. The question of allowing wards of a certain age to go to barracks not in their department is left to the Head of the Department concerned.

4. Standing Passes may be given by Heads of Departments for Sunday leave from 11 A.M. to 5 P.M.

5. Parents may give their children any extra food they desire but such food will only be eaten at regular meals at the regular time appointed.

6. Wards who have parents in Sanawar will wear exactly the same uniform as all the other wards unless there are medical grounds for making exceptions. Mufti will only be worn in the long Christmas holidays.

7. It is notified for information that the phrase Head of Department refers only to the following :—

Head Master	Head Mistress
Nursing Sister	Nurse I/c I. D.

8. Passes should not be given by the Head Master or Head Mistress without the Chief Instructor, Head Matron or Head Matron P. D., being informed, and then only in consultation with them. For various reasons Passes may not be desirable.

9. All the passes referred to up to this point in this order (except Office Pass for sleeping out of Sanawar) will be called *Major Passes*. Major Pass Books may be obtained from the office (Blue in Colour) by Heads of Departments.

10. *Minor Passes* for Sanawar (when not standing passes) and for any where in the neighbourhood (Kasauli, Dagsbai, etc.) which do not entail sleeping out may be given direct by the Chief Instructor, Head Matron, Head Matron P. D. These Minor Pass Books (Red in Colour) may be obtained from the office. These Minor Passes may not be given if the question of work in school hours is affected. Requests for leave during school hours come under the head of Major Passes. For the Hospital and I. D., the Major Pass Book covers all the ground.

No. 257, CAMP—

1. The Boys, School will go into Camp at Dagroo-Choir Bridge, on Monday morning, April 5th. March off at 7-30 hours.

2. The Chief Instructor will be in charge and will be accompanied by the following :—

Sgt. A. R. Hawkes, Sgt. Dennison, Sgt. Smith and Sgt. C. Harvey.

3. Sgt. Asquith will remain behind and take charge of Magazine, Armoury, Barracks and Boys' Kitchen.

4. Sgt. Hawkes will be detailed to take charge of all Government Material in Camp.

5. Sgt. Hawkes and Sgt. Harvey will proceed to Camp on Sunday afternoon, April 4th, with an advance party, 6 in number. Baggage will leave at 10-00 hours.

6. The Assistant Steward will arrange to send down the tents and put them up (in Co-operation with the Chief Instructor).

7. Boys who have been in Hospital and have been discharged after April 3rd will not go to Camp unless they obtain leave from the Medical Officer.

8. The following orders about Camp are issued for information and guidance. They will be carefully explained to all Boys by the Chief Instructor :—

9. Camp will be approach only from the right hand side of the stream (right hand as one looks up the valley).

10. The path to Camp on the left hand side of the stream will invariably be out of bounds.

11. The reason for this order is that there are standing crops on that side.

12. Boys will be warned on no account to interfere with water-ways made by villagers for irrigating their lands and on no account to go near any standing crops, and to be careful never to tread any down if they come across fields of crops on their rambles. Corn, Wheat and Maize are at all times valuable at this time of dearth of food, carelessness in this direction is absolutely criminal and I hope that this rule will be faithfully and conscientiously kept.

13. All boys will return to Camp daily for their mid-day meal except those boys to whom the C. I. will give permission to be out all day. This leave must be asked for afresh every day and must be given with discretion. Lower School will never be given this privilege. Roll Call at 6-30 p.m. daily.

14. Certain deep pools, which will be notified by the C. I. will be out of bounds for all boys except those who can swim. The C. I. will make a list of boys who may use these deep pools and will read it out and add names to it from time to time if he thinks fit.

15. I expect the boy N. C. Os. to see to it that these rules are carried out both in the letter and in the spirit. They will see that all boys under them fully understand them.

16. All Indians' houses are out of bounds.

17. Sanitary arrangements must be scrupulously carried out.

18. If there is any misconduct in Camp, the Camp will be liable to be struck and the boys to return to Sanawar at a moment's notice,

No. 801, SCHOOL—The following procedure will be adopted with reference to the eliminating heats for the sports :—

(1) In the Field Events the 4 competitors will be left in for the Finals who have put up the best performances (3 tries each being allowed.)

(2) In the track events and hurdles. The names of all competitors will be put into a hat. They will be drawn five at a time on the ground and the competitors will first run in heats of these 5. The names of the first three in each heat will be taken. The surviving names will form the next unit to be dealt with, either on the same day or, if possible, on another day. The names will again be drawn in fives and heats run off, the first three names being taken. This process will be continued till it is possible to get down to two heats when 4 names (the first two in each heat) only will remain in for all races up to and including the 440. (For the girls 440 eight names will be left in). For the 880 and 1 mile 8 names will be left in. If numbers are not an exact multiple of 5, some of the heats may contain more than 5. Two examples are given in illustration :—

(a) 23 entries for 100 yards. 4 heats of 5, 6, 6, 6. Number left in 12. Two heats of 6 each. Numbers left in for final 4 (first 2 from each heat).

(b) 37 entries for the 880. 7 heats of 5, 5, 5, 5, 5, 6, 6. Number left in 21. 4 heats of 5, 5, 5, 6. Number left in 12. Two heats of 6 each. Numbers left in for final 8 (4 from each heat).

Notes.—To insure the proper number of competitors actually appearing in all Finals on the day of the Sports, one reserve name for each event will be taken and printed on the programme. This will cover possible emergent casualties. Every event *must* have its proper number of starters. We do not want to have to shout for competitors through megaphones as has had to be done on one or two occasions in the past. This feature must disappear

No. 1062, SCHOOLS—CHRISTMAS HOLIDAYS—

1 All members of the Staff leaving Sanawar for the holidays will leave their addresses in my Office. It is essential that I should know the addresses of all members of the Staff in case it is necessary to correspond with them. The Chief Clerk will prepare an address book in the Office. Members of the Staff who are going away on leave may leave Sanawar (after giving their addresses and handing in their keys) on Wednesday, December 8th.

2 Keys of quarters are to be handed in at my Office. Keys should be labelled with owner's name.

3 The quarters are to be left in such a state that it may be possible to whitewash the walls, carry out necessary repairs to floors, fireplaces, walls and windows.

4 All furniture will be left so as to be checked conveniently.

5 Coolis for Staff will not be available on the 9th instant. Any heavy baggage for Dharpore may be sent on the carts with the Wards' luggage.

6 A special train will leave Dharpore at 14-30 hours on the 9th December. Only Wards whose parents actually come up and fetch them will be allowed to go before 11-30 hours.

Buns and Cocoa will be provided in Kitchens between 11-30—12-30 hours for all children instead of the usual dinner meal. Hot dinner will be provided for those staying in Sanawar at 17-00 hours on the 9th December.

7 No Ward who is in Hospital on Thursday morning will be allowed to go home without a written leave from the Medical Officer, "Discharged fit to travel." This leave to be written on the ordinary discharge certificate Post Card.

8 Luggage belonging to Wards going away will be collected at one end of the verandah of every "House." The boxes will be labelled with the Ward's name on a special Orange label which will be issued to Departments. This luggage to be ready by 08-00 hours on Thursday morning and the boxes so arranged that all the Orange labels show in the same direction. All Orange labelled boxes will be collected by School coolis, brought to Lawrence Club and will be transported in carts to Dharpore, boxes thus transported will be found at Kalka.

9 All Wards, except those going to Simla by the morning train, (10-35 hours from Dharpore) will attend Chapel in the morning at the usual time, 09-00 hours. This will be a Parade Service for the Boys' School, with Colours and Band.

10 Baggage for Simla Wards to be put ready labelled in the verandahs of Houses by 17-00 hrs. on Wednesday. It will be collected as soon after 17-00 hrs. as possible, brought to the Office, watched at night and sent by the school coolis early in the morning to Dharpore.
