sanction of parent or guardian. Normally, selected candidates will join in February and stay until the autumn of the following year. The Selection Committee will consist of the Principal, the Medical Officer, the Head Mistress of the Girls' Department, and the Nursing Sister.

**7. Treatment of Staff.**

It is here pointed out that the L. R. M. S. Hospital is built and equipped for children, and staffed from the Girls' School, so that only Wards can be given in-patient treatment. As regards Dental Treatment, the visiting dentist is usually prepared to give appointments to non-entitled members of the Staff, but these must never take place in times allotted to Wards.

The Medical Officer will see all sick members of the Staff and they will be "put on" the Sick List, and on recovery "taken off" the Sick List. Both these entries will be published in Orders.

A patient once put on the Sick List will on no account leave his or her quarters until his or her name appears in orders as having been taken off the Sick List, except to take convalescent exercise, with the Medical Officer's permission.

Those able to attend Hospital should do so between 10-00 and 13-00 hours by appointment only.

Those unable to attend Hospital should report to the Medical Officer in writing before 9-00 hours, and he will visit them in their quarters.

Members of the Staff, or their wives, wishing to see the Nursing Sister should attend after hospital hours, unless by appointment.

Dispensing hours are from 09-30 to 11-00 hours: all medicines dispensed will be sanctioned by the Medical Officer.

**8. Treatment of Wards.**

Morning Sick Parades will be held at 08-15 hours except on Sundays and holidays, when they will be at 09-30 hours. The B. D. will be seen by the Sub-Assistant Surgeon on the B. D. pavement, the G. D. and P. D. by the Nursing Sister at the Girls' Ward.

The out-patient orderlies who will be appointed by the Head Master and Head Mistress will be responsible for the discipline and escorting of out-patients. The B. D. orderly will invariably be an N. C. O. No Ward may ordinarily go to Hospital except with an orderly.

- (d) On preparation nights, cocoa or soup, with a 2-ounce biscuit, will be served to all wards attending preparation, at 20-00 hrs.

In this connection, the intelligent and willing co-operation of all members of the Staff (especially House Masters and Matrons) with the Sanitary Sergeant, is essential. Only so can the difficult task of ensuring an efficient conservancy system be fulfilled. Complaints in regard to Departmental sweepers will be made to the Sanitary Sergeant.
- (c) As regards the Indian latrines, he will constantly bear in mind that epidemics of enteric and dysentery are only likely to arise through failure of the Sanitary personnel, and that these diseases are almost invariably spread by flies passing from faeces (of enteric or dysentery patients) to food.

In this connection he will make it his business to prevent promiscuous excretion, and to ensure that all Indian latrine pans are clean *at least* at the following times :—  
06-00, 08-00, 09-00, 12-00, 16-00 and 18-00 hours.

No. 94, QUARTERS—To enable servants to be placed in, or near to, the Departments, Messes etc., in which they work, the Sanitary Sergeant will arrange for such readjustments in the present occupancy of menial quarters as are considered necessary and will submit his proposed allotments to the Principal's Office for approval.

To ensure that the School and private menial establishment are properly housed, occasions may arise when it may be necessary to accommodate School menials in vacant servants quarters normally at the disposal of the School Staff, or to allot to a servant of a Staff member, a quarter located in the compound of another member of the Staff. Such action will only be taken if no other alternative presents itself and then only after the member of the Staff concerned has been consulted by the Sanitary Sergeant.

Corn, wheat, and maize, are at all times valuable; Carelessness in this direction is absolutely criminal, and I hope this rule will be faithfully and concientiously kept. The attitude of Sir Henry Lawrence, Our Founder, towards Indians should be faithfully preserved.
12. It is essential that the barracks should be handed back in as good a condition as when received. I shall therefore expect the co-operation of all ranks in seeing that no damage is done to the buildings occupied by the Boys' School.
13. All Indians' houses are out of bounds.
14. Sanitary arrangements must be scrupulously carried out.
15. If there is any misconduct in Camp, Camp will be liable to be struck at a moment's notice, and an immediate return made to Sanawar.

No. 347, SCHOOLS—B. D.—CAREERS—

On Wednesday, August 9th., at 10-00 hours, I propose to visit Standards V, VI, VII and VIII, in order to settle as far as possible the careers which boys in these Standards are to aim for.

Class Masters will have ready a nominal roll of their standards, shewing ages, and, in pencil, the Examination being worked for in one column and the proposed career in another.

No. 348, SCHOOLS—B. D.—BOXING—There is a tendency which is growing, of boys committing fouls in the boxing ring. This may be due to ignorance or excitement. In any case, if we are to retain the high standard of boxing to which we are accustomed, this must be stopped. I have therefore arranged for a demonstration to be given by the Boxing Instructors in Gaskell Hall at 16-15 hrs. tomorrow, Tuesday, August 8th., 1933, when the various points on fouls etc., will be brought out. I hope as many officials as possible will be able to attend, as it is sure to be very instructive to all concerned.

**NOTICE.**

The next Club Social will be on Wednesday, 9th August at 15-00 hours. If fine, tennis, badminton, etc, at the Club. If wet, games in Gaskell Hall.

1. All leave, irrespective of the period, must be sanctioned by the Principal.

4. All leave must be entered in the leave book provided for the purpose and the reasons necessitating the leave must invariably be stated.

In forwarding the application, the member of the Staff concerned will state whether the leave is recommended and whether a substitute is required during the period of absence.

The leave book will be revised to provide for rules 4 and 5 when present stocks are exhausted. Pending revision, the information required will be furnished on a separate sheet at the time of application.

**No. 558, ADDITIONS TO SALARY—**

As there appears to be a certain amount of doubt with regard to the amount of time a Government servant can be called upon to devote to the duties for which he has been engaged, Article 71(a), Civil Service Regulations is published below for information.

"71(a) Unless in any particular case it be otherwise distinctly provided, the whole time of a public officer must be held to be paid for by the State, and he may be employed in any manner required by proper authority within his own branch of duty, without claim for additional remuneration, whether the services rendered are such as would ordinarily be paid for from General Revenues or a Local Fund or from the revenues of an Indian State."

For the purpose of this Article, the Principal is the proper authority and, in cases of doubt, he is also the authority to decide what constitutes a Government employee's own branch of duty.

The term "remuneration" includes remuneration in any form *i. e.* payment in cash or reduction in working hours on any particular day as compensation for work within an employee's own branch of duty which it may be necessary for the individual to undertake outside his "normal" working hours.

The Chief Clerk will ensure that this order is understood by all members of the inferior establishment.
