SANAAR 27TH FEBRUARY 1935.

No. 23, PRINCIPAL—The Principal's engagements on a normal day are given for information:—

Monday and Saturday.

1st period	...	Hospital.
10--1-30	...	Main Office, staff meetings and routine.
2-30--4	...	Staff Meetings or in Library.

Tuesday to Friday.

2nd period	...	Vith Form.
11--12	...	In Office 134.
12--1-30	...	Main Office.
2-30--4	...	Staff Meetings or in Library.

The Principal has certain fixed interviews from 11 to 11-15; he will see the Quartermaster at 12 noon, the School Secretary at 12-30 and the Medical Officer at 1 o'clock. He would be glad not to be interrupted, therefore, between 12 and 1-30.

Boys and Girls who wish to see the Principal should come in break (with the usual permission) to 134, or on Mondays and Saturdays, to the Main Office. Members of the Staff who wish to see the Principal very briefly might also come in break, but if the business is likely to be protracted beyond three or four minutes, it is better to make an appointment for some time in the afternoon. For urgent matters, the Principal may be seen at any time, of course.

No. 24, POCKET MONEY—The present practice of issuing "special" pocket money on odd days in the week will be discontinued from the commencement of the new term.

Children who require extra pocket money for a special purpose, which must be stated at the time, will apply to their housemaster or housemistress; the latter will send a nominal roll to the office by noon on Thursday at the latest, with the amount required noted against each child's name. These amounts will be included in the issue of pocket money to be made on the Saturday. For the time being, the total amount will be sent to the Chief Instructor or Headmatron for disbursement as at present. As soon as new pocket money books have been prepared, pocket money will be dealt with on the House system and disbursements will then be made by the Housemaster or Housemistress at times convenient to them.

If it is not possible to pay the amount asked for, the School Secretary will give the reason on the nominal roll which will then be sent down with the pocket money book for the information of the child.

The above does not apply to the Junior School which will continue to follow the system at present in force.

No. 25, SCHOOL OFFICE—All rooms in the main office, except those of the Principal and School Secretary, are out of bounds to all children at all times.

Dear Mr. Secretary,

Now that the Camp is over and we are all back in Sanawar may I say "thank-you" on behalf of the Staff and School for all that the members of your Club did for us while we were in Summer Hill?

It will be a long time before we forget the generosity and kind hospitality extended not only to our staff but to the boys and girls also; it has done much to contribute towards the happy memories with which the School looks back on its ten days camp, and if any of your members find their way to Sanawar, we shall hope to try and return your hospitality.

Yours sincerely,

“On behalf of the vanquished I desire to thank you and yours for the kind hospitality extended to us last Saturday.

We all enjoyed the day immensely. In spite of being made to field out in the sun and being made to suffer an overwhelming defeat yet we have the pleasant recollection that everything possible—not omitting the fags—was done to lessen the blow.

We feel that if your leg-break and ‘yorker’ merchants display the same form against the B. C. S. as they did against us, then the former are in for an equally thin time. May it be so!

Good luck to them—I shall be there to watch.

Again thanking you all very much indeed.

“Never give in” is our motto,
Strive-till the set of sun.
And we learn its truth in the days of youth
On the Long Hodson Run.
For though your heart seems bursting,
Up Serjeant Tilley’s hill,
Though you may not win, you’ll yet come in,
If you “stick it” still.

CHORUS:—It is a way we have in Sanawar,
The best School of all,
And we’ll live in that motto’s power.
Till the last bugle call.

NOTICES.

I should like to thank all those who worked so hard on and before Founder's Day. Though not so completely successful as some of the big occasions we have planned, the Day was a very enjoyable one, and was the outcome of much devoted work. The general turnout of the school was admirable and those responsible for the Tattoo and the Physical Training Display are much to be congratulated. I thought the latter reached an even higher standard than last year.

The collection at the Founder's Day Service for the Lawrence School, Mount Abu came to Rs. 32-10-9, the smallest amount for many years.

The Debate notified in Monday's Orders is postponed for the present.

No. 218, ESTABLISHMENTS—EUROPEAN—

Mrs. G. E. Poole, Assistant Matron, is granted 4 months privilege leave combined with 16 months furlough on half average salary, in India, with effect from 1st December, 1935, pending resignation. Para 2 of School Order Part II, No. 155 dated 27th July, 1935 is hereby cancelled. (C. G. S. No. 36144/3 M. T. 2, dated 19th November, 1935).

NOTICES.

I feel sure that the School would like me, in their name, to speed the two teams on their way to-morrow with every wish for an enjoyable trip and successful encounters with Bishop Cotton School.

It is with the greatest regret that I have ordered the suspension of firing on the Long Range, but yesterday's accident has left me no alternative. It appears unlikely that the range can be effectively repaired before the end of term and the Sullivan Shield will therefore not be awarded this year.
