SANAWAR, 22ND APRIL, 1949.

No. 74, LETTER—The following letter has been received from General Cariappa, Commander-in-Chief:—

My dear Mr. Carter,

The Lawrence Royal Military School, SANAWAR, has passed to the control of the Ministry of Education and a close association between the Army and the School, which has lasted for just over a century has come to an end. The Services will still, however, continue to be represented in the control Board.

The last days of transition have been trying ones and without the active assistance and co-operation we received from you and your Staff, we could not have kept up the high standard for which SANAWAR has always been famous.

I thank you and your staff for the splendid work you have done for the School. I am sure that you all will play an important and noble part in the New India. I wish you all at SANAWAR the best of good luck and success in the future.

Yours sincerely,

Sd/—K. M. CARIAPPA.

COMMANDER-IN-CHIEF.

17th April, 1949.

We had already written to the D. M. T., Major-General J. H. Wilkinson, expressing the thanks of the School and Sanawarians throughout the world to the Army for the magnificent help and co-operation received by us throughout the years. No school has been better served by those controlling it than Sanawar. If Sanawarians have done well in life and if the School has achieved much it is because the support at Headquarters in Delhi has never failed. In the name of all of us in Sanawar today and of Sanawarians scattered throughout the world I have written to the Commander-in-Chief telling him how deeply we appreciate his kind and gracious letter and how much we recognise that without the help of the Army there is little we could have done. We must now go forward with courage and faith, more determined than ever not merely to live up to our proud traditions and achievements of the past but to achieve something very much more and thus to occupy a fitting place in the New India. Every one of us has a part to play; every one must do more in his or her job. Let us go to it, then, and prove ourselves worthy of the trust which has been imposed in us by the Government of India through the Ministry of Education.

No. 75, HISTORICAL—The Commander-in-Chief's letter will be framed and placed in Gaskell Hall.

Please Turn Over.

No. 76, INOCULATIONS—The Prep. School and Girls' School will be inoculated at 12 o'clock and the Boys' School at 5-30 p. m. on Saturday, 23rd April, 1949.

No. 78, CINEMA—There will be a cinema show in Gaskell Hall on Saturday, 23rd April, 1949, at 7 p. m.

The films to be shown are :—

- (1) Toscanini.
- (2) Water—Friend or Enemy.
- (3) Look and Listen.

No. 79, FIRE PRECAUTIONS—It will be appreciated that during the present heat wave the large number of pine needles which cover the Khuds constitute a very real menace and every precaution must be taken to ensure that there is no outbreak of fire. Cigarette stubs, for instance, should always be stamped out and in no circumstances should matches be thrown indiscriminately on the hillsides or elsewhere. It would be the height of folly to kindle fires unless they are properly controlled and supervised. Heads of Departments will explain this Order in detail to the children.

School Sweepers must in no circumstances start so called "controlled fires". Pine needles will be collected and burnt near the Stores or on the Prep. School Flat. The R. M. O. will give the necessary orders.

No. 80, INSPECTIONS—The quarterly inspection of buildings will be carried out from the 28th to the 30th April by the M. E. S.

No. 81, MARK READING—This will be held at 2-30 p. m. on April 29th.

No. 82, RATIONS—Rations will be available on payment as follows :—

Teaching Staff, Matrons, etc :—

First and Third Wednesday of each month,
from 2 to 4 p. m.

All other Staff including—Menial establishment :—

First and Third Thursday of each month,
from 11 a. m. to 1 p. m.—2 p. m. to 4 p. m.

Would Staff please note that Kerosene Oil will only be issued with other rations on the 1st and 3rd Wednesday of each month.
