30<sup>th</sup> January, 2023.

Dear Parents,

Warm greetings from our beautiful hilltop!

We trust that you and your families are very well!

It is with the greatest pleasure that I share with you the myriad successes and excellent initiatives of the past year. Indeed, it has been a year full of blessings. The students and the School have done very well. Not the least of our collective victories has been the school having been awarded the **Number One Position in the Vintage Legacy Co-ed Boarding School category** in the Education World India School Rankings 2022-23.

I am pleased to share that the last school year witnessed a spectacular Dodransbicentennial celebration in which every student played an integral part. However, notwithstanding the many successes and the copious accolades that have been bestowed upon the community, we are not content to rest on our laurels. The intention of my letter to you is to serve to orient and direct our dear students regarding the impending Spring Term. The Spring Term provides a golden opportunity for the all-round development and progress of your dear children. The Calendar, Curriculum as well as the daily routine has been very carefully put together so as to benefit all students.

Dear Students, seize the day, take advantage of every opportunity that has been designed for your benefit and use this wonderful 139 acre campus as your very own canvas on which to paint the best picture that you are capable of! Use this term to register progress and achieve all that you are potentially capable of achieving!

Dear Parents, kindly refrain from applying for leave of absence for your children. Allow your dear children to avail the full benefits of the many opportunities that Sanawar has to offer.

The entire Team at School looks forward to welcoming our dear students back on the 15<sup>th</sup> February, and their being with us for a fruitful Spring Term till the 1<sup>st</sup>

June. It is with great pleasure that I am sharing with you that we are all busily engaged in the preparation of the School for the return of our students.

You will receive the detailed instructions regarding the rejoining of your ward through the concerned Housemaster/Housemistress.

Wishing our dear students, parents and staff a great Spring Term, 2023.

On behalf of the entire Team at Sanawar, I take this opportunity to thank you very much for your great help and support, as always.

God Bless us all!

Stay safe! Take care!

With warm regards,

Himmat S. Dhillon,  
Headmaster.
