Subject : A Note of Gratitude and Looking Ahead

Dear Parents,

Warm greetings from the hilltop.

I would like to begin by expressing my sincere gratitude for the generous acknowledgement and appreciation that many of you have shared at the recently conducted Parent – Teacher meeting. Your kind words, encouragement and continued faith in the School are deeply valued. They serve as a great source of motivation to all of us who are privileged to be part of this institution.

I have also taken careful note of the concerns and suggestions that have been brought to my attention. Please be assured that these have been duly noted and will be attended to, by and by. Your feedback is important to us, and I believe that an open and constructive dialogue between the School and its parents is essential to the continued growth and well-being of our children.

During my recent interactions, I was able to meet with all those parents who had booked prior appointments and even, many who sought to meet me that day itself. I regret, however, that I could not meet as many of the others as I would have liked. I greatly value these opportunities for personal interaction, and I hope that there will be many more occasions for us to meet and engage in meaningful conversation.

I look forward to meeting you all on the occasion of Founder's Day. It will be a particularly special opportunity to come together as one Sanawar family, celebrate the traditions and values that bind us, and share our hopes for the future of the School.

I assure you that I will make every endeavour to understand and address as many of the concerns raised as possible. While every matter may not have an immediate or straightforward solution, I believe that listening with empathy, responding with sincerity, and working together in the best interests of our children will always take us in the right direction.

Thank you once again for your trust, your candour and, above all, your unwavering support for the School.

Warm regards

Ruchi P. Datta
