The Lawrence School, Sanawar

No. HM/2026

2nd September, 2026

Dear Parents,

Warm greetings from Sanawar!

I trust that this finds you and the family in the best of health and good cheer!

As the children prepare to leave for their SOP, there are a few things that I would like to request/highlight.

1. Those children travelling to high risk cities (Swine Flu), should spend the weekend at home, with their families. They should avoid crowded places, wear a mask if venturing out and take all other safety precautions.
2. It's also disheartening to note the number of early departure requests that we have received based on apparently unverified medical reasons and other excuses. Even requests to send children with unauthorized 'relatives' have been received considerably.
3. This also, unfortunately exhibits little respect for a PTM.
4. This is not what is expected of the students of The Lawrence School, Sanawar.
5. School rules are meant for the safety and well-being of students and should be adhered to at all times.

In view of the above, the School might have to revisit the policy of the SOP, in the future.

Furthermore, students must return to School by 5 p.m. on the 6th of September, 2026. Those travelling from far must plan their journey accordingly.

Thank you once again for your understanding, kind cooperation and continued support.

Kind regards

Ruchi P. Datta
