Section I : From The School

Back In Time Mehar Sandhu, L-V

Sitting under the night sky,
Wishing you could go back in time,
Change your decisions in life,
Trade the truth with all those lies,
Looking back and thinking how time flies.
Wondering how could everything change,
Watching innocence fade,
After the good old school days,
When all you did was play.
When the answer was always 'Okay',
Why is life this way ?
The days of fighting and teasing,
Laughing and playing,
Believing in fairytales,
Where you would marry the Prince of Wales,
Where love was easy,
When it was your way or the highway.
When your dreams took you around the world,
You were the prettiest little girl,
You were the most precious thing in the world,
You were your daddy's girl.
But then came the change,
Everything would never be the same.
You chose another way,
You pushed the fairytales away.
And then you lost your way,
Now there is no reason for you to stay.
Pray and hope things will be okay,
Because there is another way.

Become The CEO of Your Life (C-Conquer E-Every O-Opportunity) Dhruv Thakur, L-VI

Life is a very interesting journey. Actually, the founder of our life is our parents. For me, my parents are my God. But some time will come in your life when you will have to live it the way you want.

Most people don't discover what life is all about until they die. We live in an age where we have conquered the highest of mountains but have yet to master ourselves. We have taller buildings but shorter tempers, fuller minds but emptier lives. Live each day as it is your last. Set your goals and achieve it because dreams are for dreamers and goals are for achievers. Enjoy the whole path not just the reward and never have regrets in your life.

Make your life simple but significant. Be the leader of your pack and conquer. Live fully so you can die happily. Choose your friends wisely because there will be a time in your life when it will be only them by your side and that will be the only thing that matters. But actually I don't have friends, I have a family. Work hard because hardwork beats talent, when talent doesn't work hard. It is a common saying which is true in today's age.

It's impossible said pride, it's risky said experience, it's pointless said reason, give it a try said the heart.

Race Against Time Sohaya Gill, L-VI

We come into this scary big world unaware of what the future holds for us. There are all those "happy times" when we have no tension of the world, when everything is just about unicorns, rainbows, and dolphins and before we know it we are growing up. Time is racing past us and we are trying to keep up with time while facing the challenges of the world. In this race against time we tend to forget something very important "ourselves" we forget who we were, what we believed in and what made us happy. We try so hard to belong, to fit in, that we forget ourselves.

Time runs out, seconds turn to minutes and minutes to hours and before all of this runs out we need to make the most of it and for that we need to search for ourselves. Find the pleasure of life,

fall in love, travel, read, do something you have never done before, run around, chase the clouds and fly with the birds. Don't let anyone or anything pull you down. Learn from your mistakes, because screws fall out all the time. This world is an imperfect place. So in the chaos of this world you need to do what you want to do, be who you really want to be and you need to figure out what that is. So come out of your shell, stop crying over friends you'll never have back, bridges that have been burnt and people you once loved because there is a reason the past is in the past. So get up, get out there and look for yourself, be who you really are. We are who we are for a lot of reasons and we may not know most of them. But even though we don't have the power to choose where we come from, we still have the power to choose where we go from there.

Imagine

Vidhi Agarwal, L-VI

Imagine this— We wake up tomorrow morning and find no adults. Sounds like your typical apocalyptic novel, Right? But No. The grown ups have not disappeared they have simply returned to the age of 16.

Everyone, absolutely everyone and that includes your ancient-walking stick using grandfather, the President, your parents, and yes, even the teachers.

Difficult to imagine. Isn't it? How about going on a long drive with your grandmother, no need of girlfriends. How about going to a disco late at night and finding your mother already dancing inside. How about racing on a motorcycle with another group of boys and later on realising that your grandfather and your father were the rivals.

And the best one, imagine your teachers in the same class as you but they are not teaching as technically we always have teachers who are older than us. So are we just going to stare at each other and play 'Truth and Dare' or 'Never Have I Ever' with them. Imagine your Headmaster accompanying you for coffee, movies and night outs.

Think of your matrons making dorm cakes for you or maybe guarding for you.

Think about your mother cribbing about the long length of her skirt and being forced to braid her hair.

Think of your teachers chilling with you at the tuck shop & shouting at 'Sharma Ji' to give them Maggi.

Think of your grandparents dancing on the same music as you including 'Abhi to Party Shuru Hui Hai.'

But is this really what we need to see the world from one another's perspective? We need to find a more practical and less extreme way of allowing adults to understand things as we do and vice-versa.

Who is She?

Jasria Juneja, L-IV

My mother is like other mothers,
With different qualities and thoughts.
She loves me more than anybody else,
Nobody gets me much of joy
As much as she does.

Nobody knew that well how I
Grew from my crawling to
Walking, crying to smiling,
Baby to a ten,
Except her.

My naughty acts my stupid facts
Dirty shoe racks,
Obviously troubled her but,
She never reacted to my,
Irritating acts.

She is the Santa on Christmas nights,
She is fairy God mother when my
Tooth brakes, well mama got my gifts,
Kept it under the pillow,
Or in socks.

She always stood by me, in my bad and good
Even when my teachers scolded me or my report card
Came home or on the phone.
Some or the other way my mom,
And me are connected, seems,
Like I am her phone and,
She is the WIFI, we are,
Always connected.

In the cold winter nights,
She wraps me tight,
In her arms and sings,
the lullabies.
When I am in school,
It is not cool
With all the fools and rules.
She made me happy when I was sad,
And when I was mad,
She made me cool down.
I think my dad is right; my mom is
Best from all the rest.

The Nature's Rule

Mehar Sandhu, L-V

As the nature's rule,
The seasons change.
From summer to winter bringing,
Autumn and spring.

Mango is what the summer brings.
The sweet snowfall when winter begins,
The leaves fall down when autumn sings,
And the flowers bloom at the arrival of spring.

But nothing can beat what monsoon brings,
The rain which makes the peacock begin,
The dance that beats everything,
It's like song which the nature sings,
With changing time it begins.

The falling rain on the peacock wings
The touch of snow might just sting,
Which made me think,
How within a blink
The seasons change from summer to spring.

The Art Workshop

Akshita Kaushik, L-V

On the 14th of September, 2016, The Lawrence School, Sanawar organised a print making workshop. These four days were days of learning and fun. It was conducted by Ms. Kavita Shah from Baroda. Print making was a whole new enriching experience for us. Ms. Shah is Internationally known for conducting workshops and has her own Foundation for print making called 'CHHAP'. The workshop was held during art subject classes, hobby sessions and cash-cash classes. We were taught a series of new techniques for printing such as using the PVC Board Linolium sheet and Acrylic sheets. While the seniors used carving tools, juniors used compasses. All faces were bright and happy to watch their prints in different colours. As all of us helped each other, and with the help of our teacher Mrs. InaMehta, we all created some wonderful prints. We used leaves and created amazing prints with their impressions. The workshop was an extraordinary experience full of colour and ink.

Rangoli Competition

Surastie Phutela and Anusha Rana, L-V

On the 27th of October 2016, there was a Rangoli Competition held in the girls department. The girls department was filled with colour and joy. As all the four houses participated and holding house separately, each team had four participants, one from each batch. Mrs. Ina Mehta played a crucial role in the competition, as she was the organizer. The rangoli making competition procedure looked like a lot of fun and excitement and it surely was. This rangoli competition gave us an opportunity to reminisce about the rangoli competition held last year. All rangolis looked as beautiful as ever and all the hardwork and the color on our shirts finally paid off. We had three teachers judging our rangolis, which included Mr. Jangra, Ms. Himani and Mrs Avneet. The memories of the rangoli competition will be evergreen in our minds.

Nirvik Singh (OS 82) gets expanded role overseeing Grey Group Middle East & Africa. Singh continues to be Chairman and CEO of Grey Group Asia Pacific. His highly regarded business acumen has led to numerous additions to the Grey network Delhi.

A twenty seven year industry veteran of the global advertising and marketing agency headquartered in New York City, Singh played a monumental role in the growth and development of the network's comprehensive offerings across Asia. Under his leadership, Grey Group Asia Pacific features among the leading communications networkings and his trademark business acquisitions have been instrumental in the development of Grey's digital and shopper offerings in the region,

Jim Hecking, Chairman and CEO, Grey Group (Global), said, "Nirvik has been prime mover in our dynamic growth and development in Asia. He has been relentless in building our geographic footprint with premier acquisitions, accelerating our offerings in a host of disciplines including digital and shopper and raising the creative bar. He has won every major professional award in Asia. I know he will bring the same single-minded dedication and achievement to his added responsibilities."

We wish him all the very best for his new role in the Company !

गुरु पर्व

गुरुपर्व एक ऐसा त्योहार है, जो गुरु नानक देव जी के जन्म दिन पर मनाया जाता है। गुरु नानक देव जी सिख धर्म के पहले गुरु थे। उनके जन्मदिन पर हर साल यह त्योहार मनाया जाता है। यह त्योहार हमारे स्कूल में भी मनाया जाता है। इस दिन हमारी छुट्टी होती है। इस साल यह त्योहार सोमवार को था। स्कूल के कुछ बच्चे इस त्योहार से एक दिन पहले पास वाले गुरुद्वारे से एक पालकी लाने गए, जिसमें सिखों की सबसे पवित्र पुस्तक "गुरु ग्रंथ साहिब" रखी जाती है। त्योहार के दिन सुबह चार बजे वे ही बच्चे "गुरु ग्रंथ साहिब" लाने गए। स्कूल के सारे बच्चों को 10:45 पर एस०एस०सी० में कीर्तन के लिए बुलाया गया। वहाँ गुरु के गीतों ने सारे दुखों को भुलाकर हमारी जिंदगी में खुशी तथा मनो में शांति लाने का कार्य किया। इसके बाद बच्चों ने गुरु जी के बारे में तथा उनके जीवन के बारे में अपने विचार प्रस्तुत किए ताकि सबको जानकारी प्राप्त हो सके। यह सब इतना शांतिदायक था कि मन किया कि वहीं बैठे रहें। हमारे मुख्य अध्यापक महोदय ने फिर हमें और जानकारियाँ दीं। इससे पहले हम सभी ने माथा टेका था। बाद में प्रसाद मिला। उसके बाद हुआ लंगर का समय। हम सबने तीन शिप्टों में खाना खाया। साथ-साथ अध्यापकों ने भी खाना खाया।

जो लोग "गुरु ग्रंथ साहिब" लाने गए थे वे ही उसे वापिस रखने गए थे। इस त्योहार से हम सबके बीच भेद-भाव कम होता है और हम सभी खुशियाँ बाँटते हैं। लंगर प्रथा में सबको समान माना जाता है। अनेक होकर भी हम सभी एक हैं। एक ईश्वर की संतान हैं। यह संदेश देता है—गुरु पर्व।

अटूट बंधन

श्री राम चंद्र की प्रेम कहानी—
आई उनके जीवन में,
मिथिला की राजकुमारी।
विवाह के बाद,
मिला उन्हें वनवास।
सिया भी गई राम के साथ।
उनका भाग्य नहीं,
था उनके साथ।

राक्षस रावण ने,
कर के धोखा
किया सिया का,
घोर अपमान।
श्री राम को आया,
क्रोध भरपूर,
सिया की याद में,
राम का दिल,
हो गया चूर-चूर।
भड़की थी,
दिल में आग,
निकली थी,
एक ही आवाज़ 'कहाँ है मेरी सीते ?'
लिया वचन,
रावण के विनाश का
बनाई वानरों की निडर सेना
जिसमें थे,
केसरी नंदन हनुमान।
चल पड़े,
करने रावण का नाश।
गूँज उठा,
सारा आकाश।
करके बध लंकापति रावण का,
हुआ अटूट मिलन,
सिया और राम का।
श्री राम चंद्र का,
खतम हुआ वनवास।
आई जीवन में नई आस।

यूरोप के कुछ ऐसे देश

हाल ही में मुझे, यूरोप जाने का एक मौका मिला था। पहले मैं आपको स्लोवेनिया के बारे में बताना चाहता हूँ। स्लोवेनिया पूर्वी यूरोप में स्थित है। यह एक छोटा सा देश है जिसकी जनसंख्या पंजाब से भी कम है। यह देश बहुत अमीर नहीं है। परंतु मुझे वहाँ के वातावरण ने हैरान कर दिया। स्लोवेनिया जैसा सुंदर देश मैंने आज तक कहीं नहीं देखा।

चारों तरफ हरियाली छाई हुई थी और वहाँ का हर एक आदमी बहुत खुश लग रहा था और हर कोई एक सुखद जीवन जी रहा था। वहाँ की हवा साफ और ठंडी थी और वहाँ की हरियाली हरे से भी हरी थी। उन लोगों की सबसे विशेष बात यह थी कि उन्हें इस बात का कोई फरक नहीं पड़ता था कि कौन-कहाँ से है या फिर कौन अमीर-कौन गरीब। वे एकजुट होकर काम करते थे। तभी शायद वे जीवन में इतने आगे बढ़ पाए हैं। वहाँ जाकर हम सब का दिल हल्का हो गया और हम जीवन का आनंद लेने लगे।

फिर मुझे स्विट्जरलैंड जाने का मौका मिला। स्विट्जरलैंड के लोगों की सबसे विशेष बात यह है कि आप उन पर आँख बंद करके विश्वास कर सकते हैं। एक दिन हम दूर में पहाड़ पर चढ़ने निकले थे। हमने उधर बहुत मजे किए और कुछ ऐसे दृश्य देखे जो मैं जीवन भर के लिए अपने दिल में संजोकर रखूँगा। वापिस लौटते समय मजे करते-करते हमारे साथ एक गंभीर दुर्घटना घटी। बात यह थी

कि मैं अपने सारे पैसे और अपना पासपोर्ट ऊपर ही छोड़ आया तब वापिस जाना नामुमकिन था। हमने अपने इंजार्जों को बताया और हमारे होटल पहुँचने से पहले, करीब तीस मील की दूरी से मेरा सामान आ गया था। जाँच करने पर मुझे पता लगा कि उसमें से एक पैसा तक गायब न था। मेरी जान में जान आई। वहाँ पर स्विस् ऐलप्स की सुंदरता की कोई तुलना नहीं। सुबह से रात तक आप बस उनको ही देखते रहिए, बिना अपना ध्यान भटकाए। अद्भुत सौंदर्य!

इन दोनों यात्राओं से मुझे बहुत सीखें मिलीं। सबसे आवश्यक है कि आप चाहे जहाँ मर्जी चले जाएँ, हमेशा अपने देश से जुड़े रहें। क्योंकि चाहे जो हो जाए, भारत हमारा देश है, हमारा जन्म से घर है और हमें बहुत प्यारा है।
