

THE LAWRENCE SCHOOL, SANAWAR®

Textile Design Workshop Report

Date: April 18, 2024

Resource Person: Mrs. Niyati Sharma

Morning Session: Mrs. Niyati Sharma commenced the workshop with an interactive session focusing on fashion, brands, trends, and career opportunities within the fashion and textile industry. Students were actively involved, asking questions and sharing insights, creating an engaging and informative atmosphere.

Afternoon Session: In the afternoon, Mrs. Sharma conducted a hands-on session where students of Textile/Fashion Design Dept. learnt the basics of knitting and creating end products using i-cord made from wool and wire. This practical session allowed students to apply their skills and creativity. The students thoroughly enjoyed the sessions and expressed interest in further exploring this creative field.
