PD HERITAGE CLUB 'PAINT SANAWAR COMPETITION'

On 14th August 2024, a painting competition was organised by the Humanities Faculty for the students of Prep department in the Art room from 11: 45 am to 12:45 pm.

The 'Paint Sanawar' competition has a theme of making paintings of various buildings of Sanawar. Approximately 44 PD students participated with great enthusiasm in it. They made paintings of War Memorial, Warriors Grove, School Chappel, Birdwood, Sanawar Post office, Peacestead etc.

Integrating the joy of art making with the rich history of our vast 139 acres of school campus, the preppies enthusiastically poured in their creativity to bring the glory of Sanawar's historic buildings come to life. The young minds truly engaged in productive learning through the beautiful concept of Campus as Curriculum.
