

THE LAWRENCE SCHOOL, SANAWAR® SCULPTURE WORKSHOP

Date: Spring Term 2024

Subject: Sculpture Workshop for Exchange Students 2024

Resource Person: Mrs. Avneet Chopra (Sculpture Teacher)

The students, who came for the exchange program at 'The Lawrence School Sanawar', were engaged in Sculpture activity during classes where they learned how to work with red clay and create forms of their choice. Students took keen Interest in the Sculpture activity and created works which were later casted in fibre glass and were painted for a professional look.

Students worked with interest and acquired creative skills while working in Sculpture Department of the school under the guidance of the teacher Mrs, Avneet Chopra.

Such activities enhance their skills and learn the art of India while exchange programs. We wish them all the best.

Their working pictures are attached along with final output of their creations.
